

Hardwick Primary School
Spring Term 2011
Dragonflies Newsletter

Welcome to an exciting new term at Hardwick. We have another busy term ahead with lots to cover in a short space of time.

Toys

We have already started work on our topic for this half-term. The children will be working towards setting up a museum of old and new toys. We will be holding an exhibition of old and new toys on Wednesday 26th January. You are invited to come and visit the exhibition at 3.15. If you have any old toys that may be used for the exhibition (that are not too precious) please let us know.

PE

PE days are Monday and Wednesday, please ensure that children have both indoor and outdoor kit at school every day as there are often extra sports sessions throughout the week. Also make sure all clothes (including uniform) are clearly labelled so that lost and mislaid items are quickly returned. All jewellery must be taken off for PE. Please ensure all earrings, necklaces and bracelets are removed at home or that children can remove jewellery themselves.

Letters

If your child has been absent from school they may have missed a letter. These will be put in a folder with your child's name at the top. This folder will be kept by the door so please check the folder at the end of the day, the day your child returns back to school.

Morning Bell

Many of you will have already heard our new bell system. This rings at 9.00am to indicate the start of the teaching day. When the bell rings, the door will be closed and the register started. If you arrive when the door has been closed please take your child to the office to be marked in.

Water Bottles

Please make sure your child brings a separate named water bottle to keep in the classroom. School Policy is that children should have access to water

at all times, this helps improve concentration and thinking skills.

Word Practice Books

Word Practice Books are sent home every week as part of your child's homework. Please help your child learn these words and keep practising at home.

We look forward to an exciting term.

Nic Grayson

Class Teacher.
